FabLittleBag™ dispenser

Hygienic transfer of sanitary waste

Hygienically transfer soiled feminine hygiene products to your cubicles sanitary disposal unit, or use FabLittleBag to dispose of the waste at a later time, as FabLittleBag will seal in the waste creating a leak proof package.

Key features :

- Dispenses a single bag each time to help transfer waste hygienically in to the bin.
- Takes 40 sustainably sourced bags; made from sugarcane and recycled materials, with vegan glue to seal closed.

Installation

Adhesive backing for simple installation to avoid any damage to the walls or can be screwed on to the wall if needed.

Fully compliant

phs are fully licensed and compliant with all waste management regulations, providing clients with a full auditable waste trail as standard.

Service

Serviced monthly or aligned to sanitary bin servicing. Installed as part of the **phs** service.
