ReVive RANGE

phs ReVive PAPER HAND TOWEL DISPENSER

Dispensers that don't cost the earth.

I am **99%** Recycled

The new ReVive Washroom range featuring disposal units made from 100% recycled content and the industry's only recycled hand dryer with fire retardant and antimicrobial properties.

The **phs** Interleaf Paper Dispenser is a sustainable solution for busy washrooms and workplace environments where hygiene and reliability matter most.

KEY FEATURES

- Part of the ReVive Recycled Range – Made from recycled plastic, supporting a circular economy and reducing environmental impact.
- Antimicrobial Protection – Outer casing is treated with an additive proven to reduce the spread of germs, including E. coli, MRSA, and Salmonella.
- Strong and Durable – Built from robust materials for long-lasting performance in high-traffic environments.
- Secure Locking Mechanism – Prevents pilfering, tampering, and vandalism.
- Easy Stock Monitoring – Clear paper-level window makes it simple to check refills at a glance.
- Hygienic Dispensing – Keeps paper securely stored to minimise cross-contamination between users.

Part of the **phs ReVive** family range

BENEFITS

- Sustainable Choice – Supports ESG goals as part of the ReVive range, reducing waste and promoting a circular economy.
- Improved Hygiene – Antimicrobial protection and secure paper storage ensure a cleaner, safer user experience.
- Cost-Effective & Low Maintenance – Easy stock visibility and secure locking reduce downtime, pilfering, and unnecessary wastage.

Technical Data	
Material	Recycled
Colour	Speckled White with recycled logo
