AIRSTREAM WHISPER

Green looks good on you.

I am 40%
Recycled

The new ReVive Washroom range featuring disposal units made from 100% recycled content and the industry's only recycled hand dryer with fire retardant and antimicrobial properties.

The industry's only recycled hand dryer with built-in fire-retardant and antimicrobial protection, supporting a circular economy while promoting hygiene and safety.

KEY FEATURES

- Part of the ReVive Recycled Range – Made from recycled plastic, supporting a circular economy and reducing environmental impact.
- Ultra-Quiet Operation – Certified with Quiet Mark as one of the quietest dryers in its class, perfect for noise-sensitive environments such as schools and offices.
- Sustainable & Cost-Effective – Running costs as low as £0.09 for 150 dries, offering a greener and more economical alternative to paper towels.
- Hygienic by Design – Strong and durable casing with antimicrobial additives to reduce the spread of bacteria and germs.
- Warm, Comfortable Drying – Raises air temperature from 25°C to 37°C during use, creating a warm and comfortable drying experience even in cooler spaces

Sustainable Innovation

As part of the ReVive recycled washroom range, the AIRSTREAM WHISPER is the only recycled hand dryer in the industry with both fire-retardant and antimicrobial protection. Built from recycled materials, it helps organisations reduce waste and lower their environmental footprint without compromising on performance.

Quiet Mark Accreditation

This hand dryer has attained the Quiet Mark. This is an independent global certification programme associated with the UK Noise Abatement Society to prioritise noise reduction in everyday appliances.

Hygienically clean

Touchable parts of this hand dryer are infused with antimicrobial technology to help prevent the spread of harmful germs and bacteria, including MRSA, E. coli, and salmonella. Combined with its warm air drying, this makes it the ideal choice for hygiene-conscious environments where health and safety are a top priority.

Technical Data

Operation	Noise Rating	Voltage	Rated Power	Standby power rating	Motor speed	Rating	Warranty
Automatic	Quiet	230V/50Hz	800W	0.7W	25,000 rpm	IP24	3 years

Product Specifications

Dimensions	Weight	Colour
28.2cm x 26cm x 15.2cm	2.8kg	Speckled White

Part of the **phs ReVive** family range
